TRAVEL INFORMATION

Accommodation

We suggest you make your hotel reservations via info@2lstravelsolutions.com

Flights & Transfers

The best way to get to Samana is by flying into SDQ (2.5 hours away) or AZS (45 minutes) airport, we are including a shuttle service from SDQ airport to the hotel if you purchase the transportation package. If you would rather arrange your own transportation or there are no shuttle options available for your arrival date contact us, we can connect you to a trusted taxi service, email elizabeth@almadesamana.com

Money

The Dominican Republic uses DOP or Dominican pesos, check the current exchange rate while you travel. Most places will accept dollars but can give you a low exchange rate, so it is best to exchange your money in advance. Also, many places won't accept cards, so it is good not to rely solely on your cards when visiting locations or restaurants.

Taxes

The Dominican Republic charges 18% ITBIS in all purchased items, and 10% additionally for service fees in restaurants and bars, some restaurants and bars may not charge the 18% if paying in cash.
